COMPANY INFORMATION

mLINQS, LLC (mLINQS®) is a Service-disabled Veteran-owned Small Business (i.e., SDVOSB or Service-Related Disabled Veteran Owned Small Business) that was founded in 2003 and has prospered every year due to our subject matter expertise and focus on customer requirements and high quality delivery. The company is dedicated to providing federal agencies with professional management and technical consulting services. mLINQS consultants bring many years of Federal experience to each engagement. Our consultants are up to the challenges of implementing federal management initiatives with skill such as business process reengineering, project management, requirements analysis, communications, change management, deployment, systems development, and training. At the core of this broad offering is an ideology of knowledge sharing and best-practice exchange.

mLINQS knows that our success is predicated on our customers' success and we are confident that the corporate depth and products we have in place will successfully support the diverse management, finance and information technology tasks associated with any agency's business improvement initiative.
